 - b. Provide initial intake and ongoing annual (at minimum) assessments for residents.
 - c. Provide an explanation of the service programs offered and acts as a resource to connecting residents interested in accessing these services.
 - d. Identify and assess individual and family needs when appropriate. Inform residents of available resource and provide support in assessing service assistance.
 - e. Work with property management office when a resident is identified as being in jeopardy of eviction or other lease violations and offer service assistance support. Assisting resident with housing resources as needed.
 - f. Coordinate on-site activities; support groups; and educational opportunities such as computer classes, speakers, etc.
 - g. Tenant engagement activities to encourage participation in services.
2. Coordinating and educating residents with service assistance:
 - a. Identify, assess, select, develop, and maintain referral partnerships with local service resource agencies that provide appropriate support and assistance to residents.
 - b. Develop and maintain a comprehensive resource directory which is available to residents, management, and staff.
 - c. Present the resident examples of service assistance that the RSC can provide community linkages such as: proactive financial assistance, health/wellness education, education and emotional support, homemaker assistance, and legal issue education/awareness.
 - d. Collect data to document services provided to residents and outcomes achieved.
3. Create and maintain all program required files and completing documentation for all residents served. Includes:
 - a. Creating individual files for all residents and assuring all program forms are used and present; and
 - b. Completing weekly resident file progress notes documentation utilizing American Service Coordinators (AASC) online database.

4. Responsible for completing the following reports in a timely and thorough manner with proper back-up documentation maintained: HUD Semi-Annual Performance Report and Donation and Volunteer Tracking.
5. Development of site-specific annual outcome measures that include programs, trainings, and services that target the distinct needs of various resident populations. Consistently track and measure program target progress. Regularly report program outcomes. Work with RSM to analyze and utilize data as the basis for continuous improvement.
6. Work with RSM to pursue avenues for additional funding as applicable through private, local, state, and federal resources for program and resident needs.
7. Travel as necessary to assure all training requirements are met: initial year requires 36-hours of training, and 12-hours of training annually.
8. Perform any other additional duties as assigned.
